Subject: Are you on the list?

Good Morning,

Its hard to believe that the first Resource Conservation Group meetings are next week. Again, it is very important that we know who is coming to these meetings, not only for catering purposes, but also to make your entrance through the guard gate a smoother process. Please make sure that your name is listed below if you are coming to either of these meetings. Also, if you know of someone in your department or on your committee, etc., who is coming and is not listed, please let me know. Thanks so much, Alison

Subject: Cultural Resource Notes Update

Good Afternoon Everyone:

There were a few comments that were submitted on the Cultural Resource Conservation Group Meeting Notes after I had already sent out the final copy. I have thus revised the final version to include these comments, and the new version can be viewed on the website at <http://www.saludahydrorelicense.com/rcgroups.htm>. For future reference, please stick to due dates that are assigned to documents. Although there is some flexibility, it can become cumbersome to send out multiple final versions. I understand that most of us have very busy schedules, and these things will often get pushed to the back of the line. However, the minutes are usually no more than few pages long and I allow a couple weeks for review. I send out a reminder a couple days before they are due, and if you do not have any comments or changes, well that is perfectly fine too. Thanks so much for your participation and I look forward to seeing a lot of you this week.

Sincerely,
Alison
